

## Nonprofit Success Checklist

**Building a successful nonprofit is part:** 1) Having a solid business model and organizational structure; 2) Demonstrating strong program outcomes; and 3) Sound fiscal management. We've developed a checklist to help you along your journey.

✓ **Profit-ABLE Business Model**

|  |   |
|--|---|
|  | 1-3 Sources of revenue/revenue generating strategies                          |
|  | FUN-Raising Plan  |
|  | Business Plan/written strategy outlining goals, objectives, and sales targets |

✓ **Results-Based Program Model**

|  |                                  |
|--|----------------------------------|
|  | Written program plan             |
|  | Impact measures defining success |
|  | System for tracking outcomes     |

✓ **Fiscal Management System**

|  |                                  |
|--|----------------------------------|
|  | Organization & program budgets   |
|  | Income & expense tracking system |
|  | File annual taxes                |
|  | End fiscal year with a surplus   |
